FOCACCIA COOKING CLASS  
& OLIVE OIL TASTING

Enjoy an authentic experience among the flavors of Puglia!

Depart from Bari with shared transportation.

The activity will take place at a typical Apulian olive mill (Bisceglie).

The experience will begin with a focaccia barese cooking class held in a food and wine workshop, where you will discover the entire process and all the secrets to preparing the perfect dough.

Once the focaccia is in the oven, you will enjoy a guided tour of the olive mill, where you can admire the fascinating production stages that transform olives into extra virgin olive oil.

At the end of the tour, you will be ready for a tasting of different types of olive oil, accompanied by warm bread and the focaccia you prepared yourself.

The activities will be conducted in Italian (also available in English and Spanish).
